Meet the Teachers

<p>Leslie Connor - Head Teacher - lconnor@nsd.org <i>Leslie lives here in Woodinville, not far from the Woodinville Library, where she is a regular, because she loves to read and to learn. Leslie has been teaching in the Northshore School District for 14 years, and really enjoys opportunities where she can encourage students to think out of the box. Prior to teaching and life as a mom she worked in the theatre, and then in the fashion industry in New York. Leslie has a son, Brendan, who lives up in Bellingham where he works as a chef, and a daughter, Molly, who works in the show business industry in LA. She loves teaching, but also enjoys cooking, writing, gardening, traveling, going to concerts, and her two favorites: painting and theatre.</i></p>	
<p>Tammy Fassett - tfassett@nsd.org <i>Tammy has been working in Northshore School District since 2001. She started substitute teaching in 2001, spent a year teaching kindergarten in 2006, and taught 2nd grade from 2006-2018. She is remarried with three kids Natalie (17), Samantha (21), and Max (23) and lives in Bothell with her oldest who is out in the work force and youngest who goes to Shoreline Community College. Samantha is out in Massachusetts finishing up her last year of college. Tammy likes to spend her time taking pictures, hiking, biking, running, reading, writing, working in the yard, watching movies, and most of all hanging out with her family.</i></p>	
<p>Leslie Harwood - lharwood@nsd.org <i>Leslie is so excited to be part of the Northshore Family Partnership. She has 13 years of experience teaching at Chrysalis, a non-traditional private school, similar to NFP. Leslie is passionate about teaching and helping each child feel successful right where they are at. She graduated from Eastern Washington University with a Bachelor's degree in elementary education, along with a reading endorsement. When she is not teaching she is a mom to two beautiful children, Devin (11) and Kaylee (9)</i></p>	
<p>Veronica West - vwest@nsd.org <i>Veronica comes to us from Indiana's Chicagoland region where she began her teaching career in 2007. She holds a bachelor's degree in both elementary and special education. Her master's degree is in special education, intense interventions. Veronica taught in the Northshore School District's Dual Language program for four years before she also taught teachers at Seattle Pacific University. She now splits her home time between downtown Seattle and her land on the Olympic Peninsula. She has a love for the outdoors, which includes tree & plant identification, building with materials found in nature, and using the weather and environment to predict changes. Her other passions include reading, technology, knitting & crocheting, a mix of arts & crafts, outdoor/survival shows, and traveling. Oh, and she LOVES mistakes!</i></p>	

WSLP Sign Up	Volunteer Sign Up
<p>Sometime on September 5, 6, or 7 between 9:30am and 3:00pm, a meeting will need to take place for every NFP student to develop their initial WSLP (written student learning plan). Please plan on a parent or guardian attending this meeting with one of our teachers. Students are not required to attend, but are welcome. You will be hearing from someone in the Bear Creek office to schedule your appointment.</p>	<ul style="list-style-type: none"> <input type="checkbox"/> Picnic volunteers (being coordinated via Facebook at the page "Northshore Family Partnership Parents") <input type="checkbox"/> Parent volunteer roles for 2018-2019 <ul style="list-style-type: none"> <input type="checkbox"/> Click Here to sign up by August 24
